

## University President for sale

This job "is like being manager of a cemetery," Yudo joked. "There are many people under me, but no one is listening."

## An **\$825,000** annual salary is only the beginning...

**POST-RETIREMENT AGREEMENT** Supplemental pension funding will be provided to a vested single life annuity at the end of each of the first seven years of employment, each year approximately

Year 1 - \$29,554  
Year 2 - \$60,217  
Year 3 - \$92,029  
Year 4 - \$127,307  
Year 5 - \$230,000  
Year 6 - \$300,000  
Year 7 - \$350,000

For years 8 and beyond, funding will occur in accordance with the normal UCRP funding policy that is applicable to funding the benefits of all UCRP members.

The University contribution for Yudof in 2008 was \$228,000. Can you afford him?

**SPECIAL EXEMPTION** to the UC limit of \$25,000 in moving expenses approved by the Regents, enabling

\$9,900/month for 2 years of leased housing (\$237,600)  
\$1,360/month for rental furnishings (\$32,640)  
\$2,598 for initial house hunting  
\$15,292 for Yudof's Library moving expenses  
\$74,356 for Yudof's personal items moving expenses

Seems like a lot of money for someone whose solution to an alleged financial crisis is to hurt those employees already underpaid.
